The purpose of this document is to provide Department Operations Manual (DOM) holders with information regarding revisions to Chapter 5, Article 19 regarding Arrest, Search and Seizure. These changes were prepared by the Regulation and Policy Management Branch (RPMB) in collaboration with Division of Adult Institutions.

This article is being adopted to incorporate a legacy Administrative Bulletin (AB) 05/01, Clothed Body Searches of Female Inmates. In addition to AB 05/01, a new section titled Contraband Surveillance Watch has been developed and incorporated to replace Quarantine. Where appropriate, search standards have been changed to “Reasonable Suspicion” and a definition for the standard has been added. A section describing Peace Officer Authority has been removed and will be expanded and adopted as a new Article in the near future.

Please inform all persons concerned of the contents of this notice, which shall be maintained and the information contained in this document utilized until it is incorporated into the next updated DOM.

Please direct any inquiries to Timothy M. Lockwood, Chief, Regulation and Policy Management Branch, at (916) 341-7390.
